

TRANSIT ETIQUETTE

ALERT

OTHER RIDERS WOULD LIKE TO OFFER YOU THE FOLLOWING ADVICE:

CHECK ALL THAT APPLY

- Easy on the perfume. Jeez, lady.**
- Please bathe and wear deodorant if you are going out in public.**
- Get your feet and bags off the seats so other people can sit down.**
- Let people leave the train before charging in, you jerk.**
- Don't hold the doors open for your friend who couldn't make it in time. Take the next train or get there earlier.**
- It's rush hour. Move away from the doors and take off your annoying knapsack.**
- First in line = first on the bus**

OK? THANKS.
